PROSPECTUS**

AWS Student Builder Group
at A P Shah Institute of Technology

About AWS Student Builder Group at A P Shah Institute of Technology

AWS Student Builder Group (SBG) at A.P. Shah Institute of Technology is a vibrant, student-led community with **1500+ active members**.

We are a dynamic, student-driven group focused on mastering cloud technologies through AWS. Our mission is to empower students with practical knowledge of AWS Cloud, its real-world applications in security, AI/ML, business analytics, and digital transformation.

Through hands-on projects, workshops, certification drives, and industry interactions, we help students build both technical expertise and business acumen in cloud computing — skills that are highly sought after in the industry today.

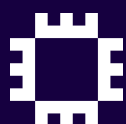

About AWS Student Community Day Thane 2026

AWS Student Community Day Thane 2026 is our flagship one-day event, scheduled for 3rd October 2026 at Kriyan Banquets, Thane.

This full-day event brings together 400+ enthusiastic engineering students from Thane, MMR region, and Maharashtra. It offers a high-energy experience with 12 top tier industry speakers similar to AWS Community Day and AWS Summit, but designed specifically for students.

The event will feature cutting-edge technical sessions, career guidance, startup building insights, hands-on learning, and networking opportunities across domains such as Cloud Computing, DevOps, AI/ML, Cloud Native, Open Source, and more.

“For Students, By Students”

Why Sponsor Us

Sponsoring AWS Student Community Day Thane gives you direct access to **400+ motivated, tech-savvy engineering students** in one day.

Key Benefits for Sponsors:

Associate your brand with AWS and a premier student cloud community

Build meaningful connections for recruitment and talent acquisition

Leverage highly targeted marketing and branding opportunities

Showcase your products, services, and technologies directly to motivated students

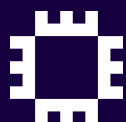

Gain valuable mindshare among future developers, technologists, and business leaders

Significantly increase brand awareness and recognition among the next generation of talent

This is our flagship event and a powerful platform to invest in the future workforce of the tech ecosystem.
